

Competition Rules and Registration Form

The 2017 contest is reserved to any completed model that fits into our theme of the year: 'Cinema'. Registration to the contest will only take place on Saturday 7th of October 2017 between 9.00 and 10.30am. Against a fee of 1 euro per model, participants will receive a 'Hearth' that they should place close to each of their entries, on their club's exhibition stand (or their own stand if they exhibit as 'independent modellers'). Our judges will award, throughout the day, a number of special prizes, awards, trophies, and/or certificates to reward their 'Coup de Coeur' (favourite) entries. The following 'classes' are likely to be complemented by others before we reach the 7th of October:

Le Coup de Coeur of the (current and former) Jemeppe Modelism Chairmen;
 Le Coup de Coeur of the Bar Staff;
 Le Coup de Coeur of the Ladies of Jemeppe Modelism;
 Le Coup de Coeur of the City of Seraing;
 Le Coup de Coeur Adjudant-Chef Cruchot (Humour)
 Le Coup de Coeur Sergeant Oddball (AFVs)
 Le Coup de Coeur Lieutenant Pete Maverick (Space and Aviation)
 Le Coup de Coeur Lightning McQueen (Civilian Vehicles)
 Le Coup de Coeur Ellen Ripley (SF/F)
 Le Coup de Coeur Général Maximus (Figures)
 Le Coup de Coeur RetrokiT;

The 'Bananaaa!' Challenge

All participants will receive the same figure at the beginning of the show and will have until 5pm to complete their work, 'out of the box', or with as many modifications as they wish to add. The Challenge is open to any modeller aged 8+ (as of 7th of October 2017) and exhibiting to our show. Participants will work on their respective display stand and will need to supply their own modelling materials and tools, along with their spare parts box, the organisers only providing the basic unbuilt figure, the working space, a chair and — if requested in the display registration form — access to electricity. At 5pm, all work, completed or not, will be gathered and judged; judges will focus on the quality and originality of the work done. Judges will not take part to the Challenge but their decisions will be final. Pre-registration is requested and must reach the organisers before the 15th of September 2017. A fee of 1 euro per participant will be collected on the 7th of October 2017.
